SCU is looking out for you.

Please remember that Sacramento Credit Union is here to help you during this difficult time. We truly want you and your family members to stay safe and healthy during the coronavirus outbreak.

Since Governor Gavin Newsom has asked Californians to stay at home, we strongly recommend that you use our 24/7 [Online](#) and [Mobile](#)¹ Banking services rather than visiting the branches. With these free services you can easily check off most of your financial to-dos without ever leaving home.

Another option for banking at home is our Call Center, where representatives are available to help members Monday through Friday 8:30 a.m. to 6:00 p.m. and on Saturday from 9:00 a.m. to 2:00 p.m. by calling **(916) 444-6070**.

If your financial needs require a visit to our [branches and ATMs](#), please know we're following [Centers for Disease Control and Prevention](#) (CDC) guidelines for responding to the coronavirus (COVID-19) outbreak. For your safety, we've committed to cleaning and sanitizing all touchable surfaces. We also have hand sanitizer and wipes readily available for you and our employees. To serve you, our branches are open regular business hours, except for our Bruceville Branch at Kaiser Hospital, which is temporarily closed.

With many businesses and schools closing due to the coronavirus, we know this is a difficult time financially for some of our members. If you're experiencing financial hardship as a result of the coronavirus, we may be able to help in the form of free loan deferments and/or a short-term, low-interest personal loan.

To apply for a deferment of up to 90 days on auto, boat and RV loans or fixed-rate unsecured loans that are eligible for a deferment², [Click here](#). For other loan types or short-term personal loans, please call us at **(916) 444-6070**.

With all of the unsettling news lately, we want to assure you that your money is safe with Sacramento Credit Union. Your accounts are insured up to \$250,000 by the National Credit Union Association, a federal agency similar to the FDIC. If you have any questions or need specific help during this difficult time, please call us at **(916) 444-6070**.
